

Information on drop-off and parking for coach parties

Remember to keep your coach driver's mobile phone number on you, in order to call the coach back for pick up at the drop-off point when you are ready to leave.

Set coach drop off point for players. There is also space for coaches to (safely) double park and let players get off the coach if needed. Cars will be passing on the other side, so students should be getting out on to the pavement side.
